

THE BEGINNER'S GUIDE TO LYME DISEASE

DIAGNOSIS & TREATMENT MADE SIMPLE

"Through this wonderful book and the hard work and in-depth research it reflects, one can now be empowered to proceed on a foundation of knowledge and the security of knowing that you are not alone, that you are not just imagining your symptoms, and that you can be helped."

—**DR. JOSEPH BURRASCANO**

Founding Member, International Lyme and Associated Diseases Society (ILADS)

WRITTEN BY
Nicola McFadzean, ND

Joseph J. Burrascano Jr., MD

THE BOOK YOU'VE BEEN WAITING FOR...

CNN has reported that the number of Lyme disease cases in the United States has doubled since 1991.

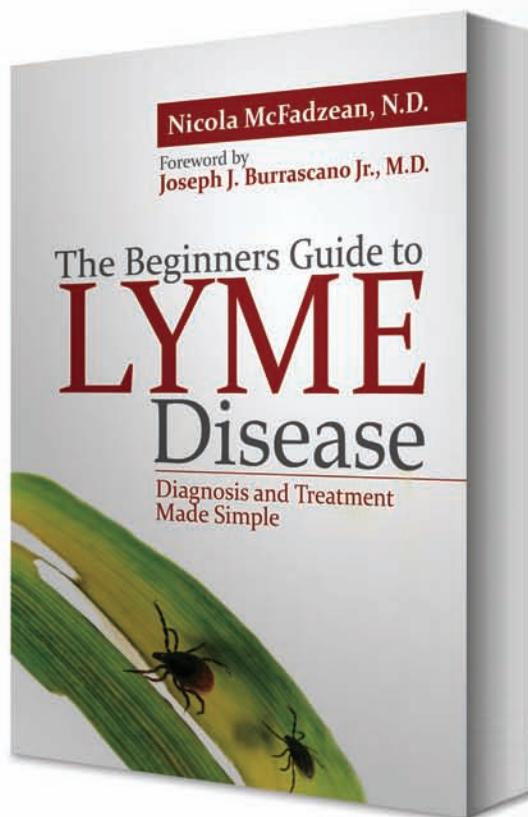

Lyme disease sufferers now have access to this easy-to-read, user-friendly book which contains answers to many of the "beginner" questions about this mysterious condition.

Find answers to these questions and more:

- **How can I get diagnosed properly?**
- **What are my treatment options?**
- **How can doctors help me?**
- **How can I help myself?**
- **Why is this disease so controversial?**

These topics are just the beginning. Visit us online today at www.LymeForBeginners.com to find out more about the book, see the Table of Contents, and discover all of the ways the book can help you!

**Written for Patients, Doctors, and
The General Public**
