Foreword by Maureen Meshane, M.D.	19
Preface by Connie Strasheim	25
A Note from the Publisher	30
Chapter 1: Steven J. Harris, M.D.	31
Biography	31
Healing Philosophy	32
When Lyme Disease Isn't the Primary Cause of Symptoms	33
Antibiotic Treatments for Infections	34
Typical Symptoms of Different Infections	38
Babesia	38
Bartonella	38
Ehrlichia and Anaplasma	39
Mycoplasma	39
Lyme (Borrelia)	39
Other Symptomatic Trends	40
Using Herbal Remedies to Treat Borrelia and Other Infections	40
Detoxification	41
Treatments	41
Addressing Detoxification Problems	43
Immune System Supplements	43
Healing the Gut	44
Treating Hormonal Dysfunction	44
Lifestyle Recommendations for Healing	45
Diet	45
Exercise	46
Treatments for Symptomatic Relief	46
Insomnia	46
Pain	46
Depression and Anxiety	47
Fatigue	48
Brain Fog	48
Healing Emotional Trauma	48
Who Are Those That Heal From Lyme Disease?	
Who Are Those That Don't?	48

The Role of Spirituality in Healing	50
How Finances Affect Healing	50
Mistakes in Treating Lyme and Less-Than-Beneficial Treatments	51
The Biggest Challenge for People with Lyme Disease	52
How Friends and Family Can Help the Sick	52
How Long Does It Take to Heal from Lyme Disease?	53
Last Words	54
How To Contact Steven J. Harris, M.D.	54

Chapter 2: Steven Bock, M.D.55

Biography	55
The History of My Practice	56
Changing the Paradigm of “One Disease, One Medicine”	57
Treatment Approach	58
The Lyme Healing Wheel	58
Emotional Strategies for Healing	60
The Patient as a Vessel in a Sea of Toxins	61
Healing the Body on an Energetic Level	62
Antibiotic Protocol for the Treatment of Lyme Disease Infections	62
Considerations in the Treatment of Infections	64
Clinical Diagnosis of Co-Infections	65
Considerations in Lab Testing	66
Detoxification	67
Treating Opportunistic Infections and the Immune System	68
Treating Hormonal Dysfunction	69
Treatments for Symptomatic Relief	71
Insomnia	71
Anxiety and Depression	71
Pain	72
Diet	72
Lifestyle Recommendations for Healing	73
Who Are Those that Heal from Lyme Disease and/or Chronic Illness?	74
Does Everyone with Chronic Fatigue Syndrome Really Have Lyme Disease?	75
Why Do Some People Gain Weight and Others Lose Weight When They Get Lyme Disease?	76
The Greatest Challenges of Treating Lyme Disease	76

Why I Love Treating Lyme Disease/Chronic Illness	77
Last Words	78
How to Contact Steven Bock, M.D.	78

Chapter 3: Susan L. Marra, M.S., N.D. 79

Biography	79
In the Beginning	80
First Do No Harm	82
The Art and Science of Practicing Medicine	83
Embracing the Intelligence of Nature	84
Global Warming and Global Karma	85
The Essence of the Patient	87
Listening	88
Determining Appropriate Diagnostic Tests	89
Treatment for Lyme Disease and Co-infections	91
Treating the Infections	92
Biotoxin Illness	94
Decrease the Inflammation	95
Degrade the Biofilm	96
Support the Organs	97
Intestinal Support	101
Pancreas Support	102
Liver Support	103
Joint and Muscle Support	103
Integumentary (Skin, Hair and Nails) Support	103
Brain Support	104
Insomnia	105
Headaches and Migraines	105
Mood	106
Depression	106
Attention Deficit Disorder	106
Autism	107
Energy	107
Hormones	108
Binding and Detoxifying Toxins	108
Treating Hypercoagulation and Thick Blood	109
Hypoxia	110
Management of Free Radicals, Nitric Oxide and Peroxynitrite	111

Lifestyle Recommendations for Healing Lyme Disease	112
Human Support	113
Community Support	114
Books on Lyme Disease	114
Spirit/Soul Sickness	115
Solutions to the Problem of Lyme	115
The Lessons to Be Learned	116
Closing Remarks	116
Gratitude	117
How to Contact Susan L. Marra, M.S., N.D.	117

Chapter 4: Ginger Savely, DNP 119

Biography	119
Healing Philosophy	120
Treatments for Infections	121
Borrelia	121
Babesia	122
Bartonella	123
Treating Mold, Candida and Environmental Toxins	126
Treating Insomnia	126
Nutrition	127
What Those with Lyme Disease Should Do for Proper Nutrition	128
Testing For and Treating Food Allergies	129
Supportive Supplements	129
Magnesium	130
Patient and Practitioner Challenges and Roadblocks to Healing	132
Lyme Disease vs. Chronic Fatigue Syndrome	135
Patient Roadblocks to Healing	136
Do Antibiotics Work?	136
Treating Relapses with Dr. Burrascano's Pulse Protocol	138
Profiling the Person that Heals from Lyme Disease	138
Stress Reduction and Behavior Modification	139
Strategies for Stress Reduction	140
Biofeedback	140
Cognitive Behavior Therapy	140
Humor	140
Lifestyle Adjustments	140

Financial Support	141
Balancing Rest and Physical Conditioning	141
Activities That People with Lyme Should Do	142
What Friends and Family Members Can Do to Help the Sick	142
Last Words	143
How to Contact Ginger Savely, DNP	143

Chapter 5: W. Lee Cowden, M.D., M.D. (H)...145

Biography	145
Note to the Reader	146
Dr. Cowden’s Healing Philosophy	146
Treatment Approach	147
Testing For Lyme and Co-Infections	148
Treatment Protocol for Infections	149
Bartonella and Borrelia	151
Babesia	152
Dosing and Length of Treatment	152
Specific and General Detoxification Strategies	153
Addressing Detoxification Defects	156
Treating Hormonal Dysfunction	156
Treating Mold and Fungal Infections	158
Treatments for Symptomatic Relief	158
Anxiety and Depression	158
Pain	161
Insomnia	163
Treating Gut Dysbiosis	164
Healing Emotional Trauma	165
IntegraMed Academy	168
Profiling the Person Who Heals from Lyme Disease	168
Strategies for Stress Reduction and Dealing with Life’s Difficulties	169
Exercise	170
On Sunshine and the Marshall Protocol	172
Final Words	172
How to Contact W. Lee Cowden, M.D., M.D. (H)	172

Chapter 6: Ingo D. E. Woitzel, M.D. 175

Biography	175
Treatment Approach	175

Biophoton Theory	175
How Disease Happens	176
How Bionic 880 Photons Are Transmitted Throughout the Body	177
The Cellular Effects of Photon Therapy	177
Testing for Lyme Disease	178
Problems with Traditional Tests for Lyme (Borrelia)	178
Testing for Borrelia Using Homeopathy and Energy Medicine Modalities	179
Clinical Procedure for Treating Patients with the Bionic 880	180
The ten different treatment points	181
Using the Bionic 880 To Treat Other Health Conditions	184
Other conditions that can be successfully treated with the Bionic 880	184
Treating For Other Infections Using Homeopathic Nosodes and The Patient's Own Blood	186
Troubleshooting Problems in Healing	187
The Problem with Using Antibiotics for the Treatment of Lyme Disease	188
Adjunct Therapies during Photon Treatment	189
Heal the Mind, Heal the Body	189
The Use of Immune Markers to Measure Progress in Healing	190
The Difference between North American and European Patients	191
Relative Contraindications of Photon Treatment	192
Sample Frequencies for Different Conditions	192
Recommended frequencies for conditions often found in those with Lyme disease	193
Final Words	194
Technical Data for the Bionic 880	194
Description of the device	194
Additional Information on Photons	194
How to Contact Ingo D. E. Woitzel, M.D.	194
Author's Note	195
Translation Note	195

Chapter 7: Ronald Whitmont, M.D. 197

Biography	197
Healing Philosophy	197
Treatment Approach	200
How Many Remedies Are Required To Bring About A Cure?	203

How Long Does the Healing Process Take With Homeopathy?	204
More Thoughts on Using Antibiotics for the Treatment of Lyme Disease?	205
Are Adjunct Remedies Necessary in Homeopathy?	207
Dietary Recommendations	208
What about Treating Patients for Environmental Toxins?	208
Lifestyle Recommendations for Healing	209
The Role of Emotional Trauma in Healing	209
The Practitioner-Patient Relationship	211
Are There Herxheimer Reactions in Homeopathy?	212
The Process of Administering Remedies	216
Advantages of Homeopathy over Other Types of Treatment	217
Comparing Homeopathy to Other Types of Energy Medicine	218
Why Homeopathy Isn't Used More Widely for the Treatment of Lyme Disease	218
Last Words	219
How to Contact Ronald Whitmont, M.D.	220

Chapter 8: Deborah Metzger, Ph.D., M.D.221

Biography	221
Healing Philosophy	222
Sleep	223
Intestinal Dysbiosis	224
Diet & Nutrition	224
Allergies & the Immune System	225
Stealth Infections	228
Hormonal Dysfunction	228
Exercise	230
Detoxification	231
Mind-Body and Spiritual Strategies for Healing	233
Treating Lyme (Borrelia)	235
Treating Co-Infections	236
It's Not All About Borrelia	238
Other Treatments for Symptomatic Relief	240
Depression/Anxiety	240
Pain	241
Patient and Practitioner Challenges and Roadblocks to Healing	242
Mistakes in the Treatment of Lyme Disease	242
How Finances Affect Healing	243

How Friends and Family Can Help the Sick	244
Final Words	245
How to Contact Deborah Metzger, Ph.D., M.D.	245

Chapter 9: Peter J. Muran, M.D., M.B.A.247

Biography	247
Lyme Disease: A Functional Medicine Approach	248
Environmental Inputs	250
Energy Production and Oxidative Stress	252
Detoxification and Biotransformation	253
Hormonal and Neurotransmitter Imbalances	256
Mind and Spirit	257
Structural Imbalance	258
Gastrointestinal Imbalance	260
Immune and Inflammatory Imbalance	261
Conclusion	262
Treatment Approach for Borrelia and Lyme-Related Infections	263
Other Common Infections Found in Those with Lyme Disease	266
Babesia and Bartonella	266
Dietary Recommendations	267
The Problem of Getting Patients to Change Their Diets	267
Other Uses for Amino Acids	269
The Usefulness of Metabolic Testing	270
The Role of Emotional Trauma in Illness	270
Detoxification	270
Energy Medicine Strategies for Detoxification	270
Other Detoxification Strategies	271
Healing the Gut	272
Treating Hormonal Dysfunction	274
Bacterial Behavior, Inflammation, and Hypercoagulation	277
Treatments for Symptomatic Relief	279
For Insomnia	279
For Fatigue	279
For Pain	280
Other Factors That Affect Healing	280
Philosophy on Pharmaceutical Medications	280
Less than Beneficial Approaches to Treating Lyme Disease	280

Healing Is All About Reducing the Body's Total Stress Load	281
Last words	282
How to Contact Peter J. Muran, M.D., M.B.A.	282
Chapter References	282

Chapter 10: Nicola McFadzean, N.D. 285

Biography	285
Treatment Approach	285
Treatments for Lyme and Co-Infections	286
Borrelia/Candida	286
Babesia	289
Bartonella	289
Mycoplasma	290
Ehrlichia	290
Opportunistic Viruses	290
Herbal Protocol for the Treatment of Lyme Disease	291
Supporting the Immune System	292
Treating Hormonal Dysfunction	293
Healing the Gut	294
Treatments for Symptomatic Relief	295
Insomnia	295
Pain	295
Anxiety and Depression	296
Headaches	296
Detoxification	297
Treating Detoxification Problems	298
Diet	299
Addressing Food Allergies	300
Exercise	301
Patient and Practitioner Challenges in Treating Lyme Disease	301
How Long Does It Take To Heal from Lyme Disease?	303
EFT (Emotional Freedom Technique) for Healing Emotional Trauma	303
The Role of Spirituality in Healing	303
Is Lyme Disease Always Primary in Patients' Overall Symptom Picture?	304
Hyperbaric Oxygen Treatments (HBOT) as an Adjunct to Healing	305
Beneficial Lifestyle Habits	305
How Family and Friends Can Help the Sick	306

Last Words	307
How to Contact Nicola McFadzean, N.D.	307

Chapter 11: Marlene Kunold, “Heilpraktiker” .. 309

Biography	309
How I Became Involved in Treating Lyme Disease	310
Healing Philosophy/Treatment Approach	314
Diagnostic Procedure	318
Hormone, Neurotransmitter and Other Types of Testing	319
Treating Hormonal Dysfunction	321
Treating Inflammation	323
Treating Other Infections	325
Detoxification	327
Patient and Practitioner Challenges to Healing	328
Lifestyle and Dietary Recommendations for Healing	330
Sleep Hygiene	330
Dietary Recommendations	330
Exercise	331
The Role of Nitric Oxide in Disease	331
Last Words	333
How to Contact Marlene Kunold, “Heilpraktiker”	333

Chapter 12: Elizabeth Hesse-Sheehan, DC, CCN.. 335

Biography	335
Healing Philosophy	336
Plant Stem Cell Extracts for the Management of Lyme and Immune System Dysfunction	337
The Difference between Herbal Gem and PSC Plant Stem Cells	340
Buhner’s Herbs as Stem Cells	340
Other Herbs That Are Being Used as Stem Cells	341
Detoxification	341
Using Plant Stem Cell Extracts for Detoxification	341
Other Detoxification Strategies	342
Treating Detoxification Problems	343
Diet	344
Treatments for Symptomatic Relief	345
Pain	345

Anxiety and Depression	347
Insomnia	348
Treating Hormonal Dysfunction	349
Lifestyle Recommendations for Healing	350
Therapies for Healing the Emotions and Spirit	352
Profiling the Person That Heals Fully from Lyme Disease	355
Is Lyme Disease Always the Primary Reason for Symptoms?	356
Patient and Practitioner Challenges in Treating Lyme Disease	357
How Friends and Family Can Help the Sick	359
Exercise	359
Less-than-Beneficial Lyme Disease Treatments	360
Treating Structural Problems	360
Last Words	362
How to Contact Elizabeth Hesse-Sheehan, DC, CCN	363

Chapter 13: Jeffrey Morrison, M.D. 365

Biography	365
Healing Philosophy/Treatment Approach	366
Treatment Protocol for Borrelia and Co-Infections	368
Borrelia	368
Babesia and Bartonella	369
Treating Opportunistic Infections	369
Are Lyme and Co-Infections Always the Primary Cause of Symptoms?	369
Treating Yeast Infections	370
Heavy Metal Detoxification	370
Treating Hormonal Dysfunction	371
Treating Nutritional Deficiencies	372
Magnesium	374
Dietary Recommendations	374
Detoxification	375
Lifestyle Recommendations	376
Treatments for Symptomatic Relief	376
Insomnia	376
Pain	377
Depression/Anxiety	377
Mistakes in Treating Lyme Disease and Less-Than-Beneficial Treatments	378
Roadblocks and Challenges to Healing	379

Friends, Family and Final Words 380
How to Contact Jeffrey Morrison, M.D. 381

Appendices383

Why Lyme Treatments Fail, By James Schaller, M.D. 385
Microbes, Toxins, and Unresolved Conflicts: A Unifying Theory
Based on Interview with Dietrich Klinghardt, Ph.D., M.D.
